Landlord Insurance

If you don't already have landlord protection insurance for your investment, we strongly suggest that you consider purchasing a policy to ensure that you are equipped for any unforeseeable issue that may occur in the future.

We spend several hundreds or even thousands of dollars to protect our cars from theft or damage, however overlook insuring one of our most expensive assets.

As property managers, we cannot endorse a particular insurance policy and recommend that you make your own enquires to ensure that your investment is adequately covered, should an unfortunate situation occur.
